

All Day Dining

Mealea Restaurant is the centerpiece of Palace Gate Hotel & Resort by EHM, where our chef and his team will take you on a culinary journey across Asia and the rest of the world. What better location to enjoy the best gastronomic choices than this wonderfully restored 80-year-old French colonial building that once served as the headquarters for the commander of the French army in Cambodia, and was then owned by one of the country's leading politicians, the late Chea Sim. The ornate columns and remarkable traditional tiles will provide the perfect setting for what promises to be one of the city's best dining experiences.
